**San Antonio Housing Trust Foundation**  
**Agenda Item 4**

*Resolution authorizing the executive of all filings and agreements with the Texas Department of Housing and Community affairs in connection with applications for Low Income Housing Tax Credits for the Four25 San Pedro Apartments transaction; and other matters in connection therewith.*

**Background:**

In January, the PFC board approved a non-binding inducement resolution for the 9% LIHTC project located at 425 San Pedro Avenue which initially was proposed as an 80-unit development with permanent supportive housing. To maximize points on the competitive 9% LIHTC application, the ownership structure requires the participation of a *non-profit entity* and a certified *Historically Underutilized Business* (HUB). The partnership ownership structure was not finalized until after the January committee and board meetings.

**Summary:**

After consultation with our legal counsel and development partner, it was determined that the **San Antonio Housing Trust Foundation** should serve as the non-profit member and *Special Limited Partner* with a .0025% ownership interest in the partnership and **GRG Architects** would serve as the HUB with a 5% ownership interest in the general partner. Additionally, the HUB entity will receive 5% of the development fee and 40% of the cash flow received by the general partnership.

***Non-profit Special Limited Partner***

The 2023 TDHCA Qualified Allocation Plan (QAP) used to score 9% competitive LIHTC applications, awards additional points for supportive housing developments in which a “qualified non-profit “ has an ownership interest in the partnership. This non-profit must also demonstrate its participation in the housing industry and provide evidence of either historical fund raising capability or financial resources to fund supportive services at the project in the event the project cash flow is insufficient to cover operating expenses.

***HUB***

GRG Architecture (GRG) is a San Antonio based full-service architecture and planning firm. The principals are Xavier Gonzalez, Raul Reyes, and Edward Garza. Their practice includes commercial/office, multifamily, healthcare, single family, and educational projects. The firm is a registered HUB. GRG’s participation in the project will include the following work:

- Work with the project architect to evaluate ways to implement SAHT’s universal design guidelines.
- Evaluate the cost to implement approved universal design principals

- Work with SAMMinistries to ensure that required universal design features are incorporated into the space that will be used to deliver supportive services
- Ensure that approved universal design elements are properly installed by the contractor
- Perform a final inspection of all universal design components
- Provide SAHTPFC with recommendations on the proposed universal design criteria for permanent supportive Housing developments

GRG will receive increased exposure and recognition for its involvement in the project, plus monetary compensation based on its ownership interest in the partnership.

### **Fiscal Impact**

From the Foundation's perspective, staff is evaluating a mechanism and methodology to establish a **supportive services reserve** fund for this and future permanent supportive housing developments. The SAHTPFC will receive a portion of the development fee, cash flow, and sale proceeds (after the 15-year initial compliance period). The reserve would likely be funded by these collected fees & distributions received by SAHT PFC and transferred to the Foundation.

The supportive service reserves would be maintained by the SAHT Foundation as segregated funds. The supportive services reserve fund could be used to fund services in the event project cash flow was not sufficient, or to expand the level of services including new pilot programs based on input from the supportive service provider(s) and the unique needs of the residents living at the property.

Four25 will be structured as a 9% LIHTC tax credit limited partnership with the PFC (related entity) serving as the general partner, and PFC owning the land and leasing it back to the partnership to preserve the real estate tax exemption. A Franklin Development related entity will provide the required guarantees and manage the asset. A *to-be-determined* investor will act as the limited partner and provide the tax credit equity.

The only change to the transaction that was approved by the Board in January is the selection of the non-profit partner and the HUB partner (which will receive 5% of the development fee and 40% of the cash flow). The full financing structure has not been finalized, but will likely include mortgage debt, 2017 City Bond, tax credit equity, fee waivers, and Texas Multi-Family Development funds.

### **Recommendation:**

Staff recommends moving this item to the full board for a Foundation Inducement Resolution to include our 501(c)(3) in the ownership structure to support the competitive 9% LIHTC application.

## Quarter 1 Treasurer's Report (thru December 31, 2022)

### Foundation

*As of December 31, 2022, the SA Housing Trust Foundation has earned \$364,931 in revenues, approximately 25% of the annual projected revenue of \$1.43M. The SA Housing Trust Foundation has expended \$223,293 in operating funds or 13.4% of the \$1.66M adopted annual budget.*

While we had lower than expected spending across most of the budget categories, the Foundation had most of the savings in payroll expenses. Two FTE's, including the Director of Asset Management, had not been hired by the end of the first quarter. On January 2, 2023 (Q2), we welcomed Jessica Kuehne, SAHT Director of Asset Management to the team. After completion of a staff needs assessment process, we will complete the job description for the 2<sup>nd</sup> staff position and begin the hiring process for the second budget approved position.

### Public Facility Corporation

*As of December 31, 2022, the SA Housing Trust PFC earned \$1,410,977 in revenues, approximately 23% of the annual projected revenue of \$6.16M. The SA Housing Trust PFC has spent \$393,101 in operating funds or 19.5% of the \$2.01M adopted annual budget.*

The bulk of the PFC expense is the 25% administrative fee to the SAHT Foundation. The remaining expenses were anticipated asset management & compliance monitoring costs which provides oversight of our existing PFC portfolio. We anticipate the bulk of the compliance work will be completed during Q3/Q4.

### Finance Corporation

*As of December 31, 2022, the SA Housing Trust FC earned \$13,080 in revenues, approximately 10% of the annual projected revenue of \$136k. The SA Housing Trust FC has spent \$10,061 in operating funds or 22% of the \$45,530 adopted annual budget.*

The FC expense is the 25% administrative fee to the SAHT Foundation. The remaining expenses are associated with asset management & compliance monitoring work which will be completed during Q3/Q4.
