Briefing and possible action to approve a resolution authorizing the Caroline at Salado Creek Apartments transaction.

Background

The Morgan Group has applied for a mixed income conventionally structured PFC partnership to develop a new \$72 million apartment community at the site of the former Republic Golf Course adjacent to the future Arboretum project in City Council District 3.

The 359-unit development will include a mix of one, two, and three-bedroom apartment units, and several townhome units. Of the 359 total units, 18 units (5%) will be restricted for those households earning up to 50% AMI, 37 units (10%) will be restricted for those households earning up to 60% AMI; 126 units (35%) will be restricted for those households earning up to 80% AMI; and 178 (50%) of the units will be market rate. See the below targeted unit mix and bedroom sizes.

Unit Mix & Affordability					
	50% AMI	60% AMI	80% AMI	Mkt	Total
1 Bedroom	12	24	81	114	231
2 Bedroom	6	11	38	53	108
3 Bedroom	0	1	5	6	12
Townhome	0	1	2	5	8
Total	18	37	126	178	359

The 50%, 60% and 80% AMI units would be both income and rent restricted based on the annual rent and income limits published by the Texas Department of Housing and Community Affairs (TDHCA).

Site Information

The property is located on 18 acres of vacant land on the south side of Southeast Military Drive between Interstate 10 and interstate 410 on the site of the former Republic Golf course in southeast San Antonio. The project is currently zoned MF 33. The project is well located on major and secondary roads. The site is 15 minutes from downtown, 20 minutes to the airport and 15

minutes from the Texas A&M campus. Major retail centers and restaurants are located at City Base Landing which is 1.4 miles west of Caroline at Salado Creek.

Property Information

The development is located on a portion of the former Republic golf course and will consist of twelve 3 story walk-up buildings, and two townhome buildings. The developer intends to use the former club house and pavilion as the leasing office and club house. Amenities will include a resort style swimming pool, state of the art fitness center, business center, dog park and pet washing station. Parking will consist of surface parking and tucked under garages. The property will be enclosed with a 6-foot wrought iron fence with controlled access gates. Access to the site will be via S.E Military Drive. Adjacent to the site is the proposed 170-acre arboretum which is slated for completion in 2025.

The development will be constructed in accordance with The National Green Building standards (NGBS) “Bronze Standards” which have specified design standards for the following components:

- Energy Efficiency □ Water Efficiency
- Resource Efficiency
- Lot Development
- Operation & Maintenance
- Indoor Environmental Quality

Additionally, the Morgan Group has agreed to the following conditions which will benefit the residents:

2. Contribute \$271,500 to SAHT TEAM Program
3. Comply with SAHT Tenant Protection Policy
4. New Partners with SA Ready to Work Program
5. Registering with the *Housing Base San Antonio*

Development Team

The Caroline at Salado Creek is a joint venture partnership between Morgan Group Development, LLC and Bitterblue, Inc. The Morgan group has been in existence for 60 years and has built 28,000 multifamily units at a cost of \$5.8 billion. The development will be managed by Morgan’s in-house property management affiliate. Their management company has been in existence for 50 years and manages 15,000 units over 5 states. Bitterblue is San Antonio’s premier land development company and has been in existence for 70 years. They have also identified the following professionals for this project:

Architect: Davies Collaborative
Civil Engineer: Pape Dawson
Legal: Locke Lord

Financial Considerations:

The initial proposal was initially rejected by the Finance & Audit Committee in April 2023, however staff was able to negotiate both additional affordable units and more competitive financial terms. This resulted in an estimated \$5.63M increase to SAHT PFC over the initial 20-year period \$7.23M to \$12.02M. Additionally, we negotiated a revised unit mix to include 5% of units at 50% AMI.

Total development cost of \$71,974,000 (\$200,500 per unit) will be funded with a \$39,586,000 construction loan and \$32,388,000 in equity provided by Morgan Group and Bitterblue. The developer has agreed with SAHT PFC on the following terms:

- SAHT Origination fee of \$250,000
- SAHT Rebate of 25% of the Sales Tax Savings
- Annual payment equal to 12% of the real estate taxes based upon 60% of development cost at the milage rate of 2.3560% per \$100 of value with an annual escalator of 2%.
- At the first sale and any subsequent sales the annual payment will be based on 15% of the real estate taxes based on the assessed value calculated at 80% of the sales price at the milage rate of 2.2.3560% per \$100 of value with an annual escalator of 2%.
- At the time of the first sale, SAHTPFC will receive a payment of 15% of the net sale proceeds which exceed 16 limited partner internal rate of return (IRR)
- 2% of the gross sales price after the initial sale

The projected monetary benefit over the first 20 years is estimated at **\$12,017,512** as follows:

- \$250,000 at closing
- \$369,293 between year 1-2
- \$269,250 Tenant Emergency Assistance Matters Program
- \$677,494 at initial sale year #3
- \$5,616,052 (15% of est. real estate tax savings over 17 years, average \$312k per year)
- \$2,168,476 (est. sale proceeds in year #9)
- \$2,666,952 (est. sale proceeds in year #16)
- The land and the improvements at the end of the 99-year ground lease

**San Antonio Housing Trust Public Facility
Agenda Item 6**

Briefing and possible action to approve a resolution inducing the Palladium San Antonio Apartments transaction.

In September 2022, the PFC board approved a non-binding bond inducement resolution for the Palladium SA Military Apartment’s Texas Bond Review Board (TBRB) application for up to \$43M in private activity bonds. The \$65.3M project, being developed by the Palladium Group, received its TBRB bond reservation and is coming back to the PFC board to consider partnership terms. The PFC Boards approval is necessary to complete the LIHTC application through TDHCA.

Property Information

As currently proposed, the development will include a mix of one-, two-, and three bedroom apartment homes for low to moderate income families. Of the 288 total apartment homes, 32 units (11%) will be restricted for those households earning up to 30% AMI; 199 units will be restricted for those households earning up to 60% AMI; 25 units will be restricted for those households earning up to 70% AMI; 32 units will be restricted for those households earning up to 80% AMI. See the below targeted unit mix and bedroom sizes.

Unit Mix & Affordability					
	<30% AMI	60% AMI	70% AMI	80% AMI	Total
1 Bedroom	19	27	3	5	54
2 Bedroom	10	109	11	14	144
3 Bedroom	3	63	11	13	90
Total	32	199	25	32	288

The unit mix will assist the City in meeting SHIP goals and SAHT affordability targets for 30% and 60% AMI Unit. The Palladium SA at Military Apartments will include a resort style swimming pool, dog park, basketball court, clubhouse with Community Room, fitness center, uber/lyft pickup area, and EV charging stations. Residential services an array of social services based on Texas Department of Housing and Community Affairs (TDHCA) requirements and programs will be provided onsite free of charge including a scholarship program for high school seniors. The property will feature sustainability features such as Energy Star Appliances, LED Lighting, and EV charging stations.

Development Team

The Palladium Group is based in Italy and has offices in six different countries. Palladium USA in its capacity as owner, general partner, and developer has developed over 5,800 market rate and workforce housing units for families and seniors in the State of Texas. Palladium USA has approximately 1,700 units being constructed, and another 1,500 units being planned for development. The project will utilize their in-house property management company, Palladium Management, as Property Manager who has 35 years' experience in affordable housing in the Texas market with over 5,000 units managed. They have also identified Cross Architects, PLLC, a multi-family focused Texas Architectural Firm. The Engineering firm, Accounting Firm, and General Contractor will be selected later. The attorney team is Shackelford, Bowen, McKinley & Norton, LLP.

Site Information

The property is located within the Port San Antonio Regional Center on 18 acres of vacant land, south of Joint Base San Antonio currently zoned C-3MR. The MR designation will have building height limitations. Two CPS electric easements run through the property imposing design constraints on developable acreage. There are also two detention ponds required on the site. Due to these limitations, the property will need to be designed with 12 separate buildings built to 3 stories maximum.

The *Port San Antonio Area Regional Center* is forecast to grow by 13,500 to 15,500 households from 2010 to 2040. Since 2010, the Regional Center is estimated to have grown by just over 100 units per year, which is a slower rate than forecasted for the area since the completion of the plan.

The Port San Antonio Area Regional Center is forecast to grow by 23,800 to 27,000 new jobs from 2010 to 2040.

The site is supported by frequent Via Transit along the #614 Route just 8 minutes from the Kel-Lac Transit Center and is in walking distance to Pearsall Park. The site is near the Pearsall Trail, Dog Park, Sport Soccer Complex, South San HS, Alan B. Shepard MS, and IDEA Brackenridge Academy & College Preparatory and other commercial neighborhood assets.

Partnership Terms

The project has an initial projected \$3.5M gap. The developer has applied for \$3.5M of funding in the 2nd round of CoSA housing bonds. Staff recommend increasing the deferred development fee in combination with Housing Bond funding. The PFC has negotiated a draft MOU which summarizes the following financial terms:

- 1% Bond Issuance Fee (est. \$430,000)
- 40% of Development/Deferred fee (est. \$2,290,514)
- \$50/unit Annual bond Fee
- 25% of the sales tax savings
- Right of First Refusal at Year 15
- Tenant Protection Policy
- Tenant Assistance Fund (\$405,000)
- 50% of project cash flow after deferred fees

**San Antonio Housing Trust Public Facility
Agenda Item 8**

Briefing, discussion and possible action regarding a resolution concerning the application of Spanish Pecan Apartments LP relating to the proposed financing of up to \$32,000,000 of the costs of the acquisition, rehabilitation, construction and equipping of the Pecan Manor/Spanish Spur Apartments; and other matters in connection therewith.

Pecan Manor/Spanish Spur

Pico Union is a non-profit community-based organization seeking to partner with SAHTPFC through a bond inducement to combine and rehabilitate the 256 total units between the two properties through a combined 4% LIHTC structure to target low-income families. The *Pecan Manor/Spanish Spur Apartments* will be affordable for households whose incomes are at both 30% (39 units) and 60% (217 units) of area median income (AMI).

On September 16, 2022, The SAHTPFC board approved a resolution for the inducement of \$25,000,000 in private activity bonds to be issued by SAHTPFC to be used to fund a portion of the acquisition and redevelopment of the subject property. The project was awarded a \$25,000,000 reservation with a required closing date of July 23, 2023.

Since receiving the award, Pico has retained a contractor to clean and scope the sewer lines at the property. Final bids have not been received, but it is anticipated that the sewer repairs/replacements will significantly impact the renovation budget and financing gap on this project. After consulting with Pico and our bond counsel, it was determined that the original bond reservation should be surrendered and that a new bond application for \$32,000,000 should be submitted.

Recommendation:

It is recommended that the SAHTPFC board approve a new inducement resolution in the amount of \$32,000,000. Failure to secure increased bond funding will put the transaction at risk or require a reduced scope of work for the rehabilitation project in order to cover the sewer repairs.

San Antonio Housing Trust Public Facility
Agenda Item 9

Briefing and possible action to approve a Resolution authorizing the payment of \$40,500 from available San Antonio Housing Trust Public Facility Corporation funds to reimburse Villas at Echo East, LP for delinquent property taxes.

Background

In April 2021, the San Antonio Housing Trust Public Facility Corporation partnered with George Gervin Youth Center and Atlantic Pacific on a 192-unit 4% Low Income Housing Tax Credit multi-family development, Villages at Echo East. As part of the development the PFC ground leased approximately 7 acres of the property to the tax credit partnership to expedite the project. The original 10.77-acre tract of land was conveyed to the PFC from the City to expedite the construction of the affordable apartment community. However, after closing, it was discovered that a delinquent tax amount was still owed on the 10.77 acres stemming from a deed in lieu of foreclosure with the former owner. At that time, there was an oversight in ensuring the taxes at the time were resolved.

When this tax issue was discovered, the delinquent taxes and resulting interest/penalties totaled \$156,677. As required by law, the replat of the project could not be approved until this issue was resolved. This placed in jeopardy developers' ability to attain a certificate of occupancy and thus meet lender/investor conditions. While the City requested the developer withhold the payment to the Bexar County Appraisal District, the developer paid the \$156,677 out of pocket to avoid a detrimental condition of default.

Title Insurance Process

Our attorney team had over 30 communications and engagements with First American Insurance to process the insurance claim. The initial claim was filed on September 28, 2022. The developer paid the outstanding taxes and penalties on October 10th. In December, First American Insurance denied the claim based on the fact the taxes were paid in full and as a result there was "no defect triggering coverage". Our counsel provided a response 3-days later outlining our concerns to First American Insurance that the payment of the taxes did not prejudice SAHT's rights by becoming the reason for denial. In fact, this only served to reduce assessed penalties.

On January 12, 2023, First American Insurance denied the claim for a second time stating that Villas at Echo East, LP does not fall within the definition of an insured under the terms and conditions of the Policy. They also claimed that Bexar County Tax Assessor-Collector and the Bexar County Appraisal District no taxes due or being enforced against the Property due to the ownership by the Insured. As a result, the 2010-2013 taxes did not trigger coverage under the Policy. Furthermore, they stated the conveyance of the Property to the Insured from the City of San Antonio could result

in enforcement of the taxes, this matter would be excepted from coverage. Our attorneys have drafted a complaint to the *Texas Department of Insurance* based on:

1. failure by the senior claims counsel to respond timely to claim.
2. continued difficulty in obtaining responses and receiving communication from senior claims counsel throughout the claim review;
3. misapplication of policy coverage and scope to insured, resulting in denial.

Fiscal Impact

The City continued meeting with the Tax Assessor to see if there was a resolution to correct the issue and return payment to the developer. The city has been successful at resolving \$77,507 but the remaining \$81,000 is needed to reimburse the developer. The city is respectfully requesting the San Antonio Housing Trust pay half of the remaining balance of \$40,500. Note the tax delinquency resolution paid by the developer also impacted the remaining 3 acres still owned by the Public Facility Corporation.

Recommendation

The Finance Committee recommends authorizing the payment of \$40,500 from available PFC funds to reimburse the Echo East Development Partner to resolve all remaining tax issues at the site.
