

Tenant Emergency Assistance Matters (TEAM) Program

Policy and Procedures

The purpose of this Policy is in support of San Antonio Housing Trust *Foundation's* mission of creating and preserving housing that is affordable, accessible, attainable, and sustainable to San Antonio residents; and to support community development efforts that build and sustain neighborhoods, empower residents, and provide positive equitable outcomes. The Foundation shall administer this program in accordance with this Policy, the Resident/Tenant Protection Policy and any guidelines provided by the Fair Housing Act.

At SAHT affiliated apartment communities contributing to the Fund, the Tenant Emergency Assistance Matters (TEAM) Program provides rental assistance to tenants at or below 60% of Area Median Income (AMI) who are experiencing emergency hardships, increased medical expenses due to an unexpected emergency hardship, or a financial crisis resulting from loss of employment, change in family composition, or change in household income. These funds will be used to prevent displacement by making them available to residents in need of rental assistance.

Approval will be based on a first come, first serve basis for eligible residents and will be subject to funding availability. Tenants will not be required to reimburse the apartment community or the Foundation. Use of these funds will require prior application, documentation, and verification by Property Management and Foundation staff. All applications and qualification documents will be submitted by Property Management electronically to the Foundation for review and final approval.
