**San Antonio Housing Trust Foundation
Agenda Item 4**

Briefing, discussion and possible action to approve a resolution to authorize the Four25 San Pedro Apartments transaction, including the authorization of the admissions of the San Antonio Housing Trust Foundation or its affiliate as special limited partner in ARDC San Pedro, LTD.; and authorizing the loan of San Antonio Housing Trust funds to ARDC San Pedro, LTD.; and other matters in connection therewith.

Background:

In February 2021, the PFC board approved a non-binding inducement resolution for the 9% LIHTC project located at 425 San Pedro Avenue which was initially proposed as an 80-unit development with permanent supportive housing. Due to low scores for the schools in the area, the development would not score well as a family development per Texas Department of Housing and Community Affairs (TDHCA) Qualified Allocation Plan (QAP). The development was reimagined as a non-family development containing 80 one-bedroom units. The Five Points Neighborhood Association opposed the redesign, and the TDHCA tax credit application was withdrawn.

Since that time, the school rating has improved, which will allow for a new 80-unit 9% LIHTC development focused on families to be competitive in the state’s Qualified Allocation Plan. The development will consist of 41 two-bedroom units and 39 three- bedroom units serving families with incomes at 30% to 60% of Area Median Income (AMI). The property will be both income and rent restricted based on family size and AMI of the occupants. The affordability restriction will remain in place for 40 years.

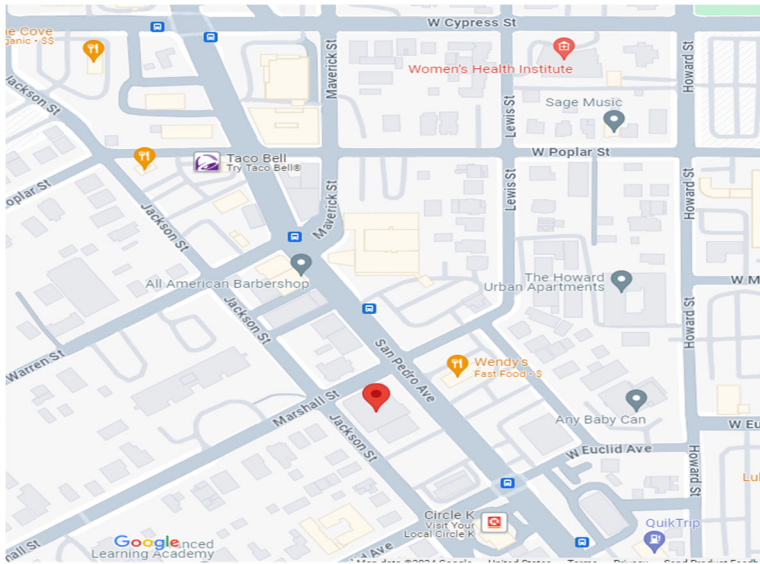

Unit Mix & Affordability				
Unit Type	<30% AMI	50% AMI	60% AMI	Total
2 BR	8	25	8	41
3 BR	8	23	8	39
Total	16	48	16	80

Franklin Development and City representatives met with members of the Five Points Neighborhood Association to discuss proposed family-focused supportive housing development.

On December 22, 2022, the Five Points Neighborhood Association provided a letter of support. The *pre*-application for a competitive 9% tax credit award was submitted in January 2023. The project scored well under the QAP guidelines, and a full application was submitted in February 2023. The project received a 9% tax credit award in July 2023.

Property Information

The site is located on San Pedro Avenue which is the location in the Midtown Regional Center and the route of the future VIA Green Line advanced rapid transit route. There will be a stop within walking distance of the site.

The development will include two elevators, a children's playground, dog park, resident garden, fitness center, and community room. Units will include energy star rated appliances, washer and dryer hook-ups, and granite countertops. Units will have access to internet service.

Anticipated Services

Four25 San Pedro is classified as permanent supportive housing (PSH) development which will provide on-site family focused supportive housing services through a contract with SAMMinistries (SAMM). While it is still early in the

process, the supportive services will be provided onsite and will be designed to help residents remain stably housed through multi-disciplined programs to help address physical health, mental health, trauma, and substance abuse. Services will be flexible and unique to each resident. Supportive services are not required, but offered assertively, meaning case managers will continue to show up and check on residents on an on-going basis. SAMM is anticipated to provide integrated and on the ground support with onsite case managers, food pantry to service meal needs, on site resources for continuing education, life skills workshops and financial literacy. This includes meeting spaces, and common amenity areas to facilitate all services on site. Residents have access to public transportation, grocery stores, parks, educational opportunities, and other neighborhood amenities common to all other residents.

The supportive services anticipated to be provided are client-centered, use a Trauma-Informed approach, and operate within the principles of "Housing First" and "Harm Reduction." These evidenced based practices are critical to productive work with this population, given that most of the residents have histories of trauma and victimization. No fees will be charged to any resident for any service provided.

Ownership Structure

The development will be structured as a 9% LIHTC tax credit limited partnership with an entity controlled by San Antonio Housing Trust Public Facility Corporation (SAHTPFC) serving as the general partner, and SAHTPFC owning the land and leasing it back to the partnership to preserve the real estate tax exemption. To obtain a higher score on the 9% competitive tax credit application the SAHT Foundation was included as the 501(c)(3) class B limited partner. To achieve this objective SAHT's legal counsel will form a new single purpose entity named **SAHT Four25 San Pedro, LLC** which will be 100% owned by the San Antonio Housing Trust Foundation (SAHTF). A Franklin Development related entity will provide the required guarantees and manage the asset. GRG Architecture, a local architectural firm, will serve as historically underutilized business (HUB) and will be the non-managing member of the general partnership. CREA is the investor who will serve as the limited partner and provide tax credit equity.

Financial Structure

The project is anticipated to be a \$30.4 million project that will be funded by a combination of tax credit equity, permanent debt, deferred developer fee, COSA 2017 bond allocation and reprogrammed COSA

bond funds, and a loan from the San Antonio Housing Trust fund. The project will also require a 100% Sales and Property Tax Exemption through the PFC being part of the tax credit partnership. The San Antonio Housing Trust Board previously approved utilizing \$1,025,000 in trust funds to fund a loan to the partnership. The City Council also approved this proposed use of trust funds. The funds will be wired by COSA to the San Antonio Housing Trust Foundation (SAHTF). The Foundation will lend the funds to ARDC San Pedro, Ltd. The \$1,025,000 loan will be secured by a second lien position mortgage on the project. Additionally, COSA will transfer their \$7,475,000 contribution to the San Antonio Housing Trust Public Facility Corporation (SAHTPFC) as a grant. SAHTPFC will then loan the \$7,475,000 to ARDC San Pedro, Ltd. The \$7,475,000 loan will be secured by a third lien mortgage on the project.

Sources	Financing
First Mortgage	\$3,207,000
LIHTC Equity	17,536,000
COSA	7,475,000
SAHTF Soft Debt	1,025,000
Deferred Developer Fee	1,139,000
Total Sources	\$30,382,000
Uses	Amount
Acquisition	\$ 500,000
Construction Hard Costs	20,271,000
Project Soft Costs	2,868,000
Tax Credit Costs	290,000
Financing/Reserves	3,064,000
Developer Fee	3,389,000
Total Sources	\$30,382,000

The project initially had a funding gap of \$8,500,000, which is being funded by the following soft debt:

COSA 2017 Bond Award	= \$3,692,138 (third lien position)
SAHT Trust Fund Loan	= \$1,025,000 (second lien position)
COSA 2017 Bond Program Income	= <u>\$3,782,862</u> (third lien position)
Total	\$8,500,000

The permanent debt on this transaction is lower than a typical 9% LIHTC deal. Many of the potential residents are expected to have section 8 housing vouchers from multiple sources. However, since the vouchers are not tied to the property, lenders will not consider this income in their underwriting analysis. The project has secured 25 section 8 housing choice vouchers from Opportunity Home that will be converted to project-based vouchers (PBV) which can be used to secure approximately \$3.4 million in permanent mortgage debt on the project.

SAHT is anticipated to receive the following:

- 40% of Developer Fee and Deferred Fees (estimated at \$1.3 million, fully paid by year #14)
- 50% of Cash Flow after Deferred Fees are paid (estimated at \$0)
- 50% of Residual Value at Capital Event in Year 15

Staff is recommending funding a Tenant Assistance Fund at \$82.5k (\$1,500/unit for the 55 non PBV units) from SAHT PFC's portion of the developer fee.

Recommendation:

The Finance and Audit Committee recommends final approval of this transaction.
